

## **Girl Scouts**

There are currently two Girl Scout troops that meet at St. Mary of the Pines. To foster strong character, courage and confidence in the girls, we coordinate many activities that help them discover the world around them, connect with and inspire others, and make the world a better place.

The troops work with St. Mary of the Pines in several events and community service opportunities. We have a relationship with Heritage Manor Nursing Home and The Bradford Nursing Home. We also participate in community hosted events.

During our meetings, we do arts and crafts, go camping, learn songs, work on badges, go on field trips, play games, participate in community service, throw parties, collect patches, make friends and have FUN!

If you and/or your daughter are interested in joining the Girl Scouts, please contact:
