

Liturgy Planning Committee with Art and Environment for Worship

St. Mary's Liturgy Committee meets monthly to check the calendar and plan liturgies and other celebrations for the coming weeks and months. Special feasts and occasions, parish community gatherings, whatever affects the Parish School of Religion and many other events in our parish family are all "fair game" for the Liturgy Planning Committee.

Musical settings and special songs, the art and environment for worship and parish celebrations are all considered.

Sunday and weekday Masses, sacraments for the children and adults, the celebration of weddings and funerals are all matters for our attention and concern.

It is our commitment to plan the best liturgies and establish the most comfortable environment for each occasion that we can. We make every effort to carry them out smoothly and without a "hitch", always observing the liturgical laws and guidelines of the Catholic Church and of our Diocese of Shreveport.

Do you have some expertise in liturgy planning and worship environment? Please call the Parish Office 318 687 5121 to offer your talents to God and this community of St. Mary of the Pines.
