

Red River Revel Parish Fund (and FUN) Raiser

The Red River Revel is an annual celebration for the civil parishes of northwest Louisiana. It is held in the fall of the year at Shreveport's festival site near the banks of the Red River, and it runs for an entire week.

Vendors from all over the United States come to sell their wares and organizations from this part of Louisiana set up business on the festival grounds, offering many varieties of food for hungry festival goers.

St. Mary of the Pines, along with many other church groups, schools, and civic and religious organizations, has taken part in this festival as a major fundraiser for St. Mary of the Pines each year. Each participating group receives a proportionate percentage of the profits from the sales.

Working a booth requires a lot of hard work, but it offers an abundance of fun and the opportunity of getting to know one another more deeply while promoting that sense of community that "being church" means.

Listen for the appeals for workers at Mass in the fall of the year. Put your name on the sign-up sheets to work. This is one event no one should ever miss.

St. Mary's share from the proceeds of this event enables St. Mary's to accomplish much that we do throughout the year. Please join us in the work and fun in the fall.
