

St. Anne's Circle

*St. Anne, you have a special bond with your daughter, Mary, and with her Son, Jesus.
Help us in our pressing needs today.
Guide our families, protect our children, and help us to be good mothers and wives.
Bring us to that place where your grandson is Lord, forever and ever.
Amen.*

St. Anne's Circle is a part of St. Mary of the Pines Ladies' Guild and was formed almost as soon as St. Mary's became a parish. The monthly meetings are held in a church classroom or in a member's home. Membership is open to all ladies of the Parish. Workshops are held, in addition to regular meetings, as necessary to carry out a particular project.

The main purpose of St. Anne's Circle is to assist the Pastor with religious or social occasions, usually by preparing and serving refreshments. We also make gift baskets to sell and have bake sales to raise money to be able to donate gifts to the needy at Christmas. We also make gift bags for nursing home residents at Easter.

The ladies of this Circle have a special interest in the Corporal Works of Mercy. This would include helping those who are having an emergency of some kind.

The ladies of this Circle are mainly busy homemakers of varying ages, who enjoy crafts of all kinds. Each year we have a special fund raising project.

We have assisted other members of our Circle by learning from or sharing with others our talents and special interests. We enjoy field trips to interesting places and visiting local festivals together. A favorite activity is to have group luncheons.

We try to be happy and enjoy this world that God has made for us.
